

Bereavement Care Network

<http://bereavement-network.rcm.org.uk>

Free on-line network for bereavement care professionals involved or interested in the care offered to parents when a baby dies.

Facilitate the sharing of best practice and updates on policy, research and documentation related to pregnancy loss and the death of a baby

Last reply: 12th March 2016, 6:22 pm

Promote improvement in all aspects of bereavement care by supporting professionals in doing a difficult job to the best of their abilities

Provide a confidential, safe space for professionals to network, offload, seek information, advice and peer support
