1. I confirm that I have read and understood the Parent Information Leaflet (Version 4, 29 January 2015) for this study and have had the opportunity to ask questions which have been answered satisfactorily.

2. I understand that participation in this study is voluntary and that I am free to withdraw my baby from the study at any time without giving any reason, and without my baby's present or future medical care or legal rights being affected.

3. I understand that relevant sections of medical records and data collected during the study relating to me and my baby may be looked at by study organisers, the research sponsor and NHS Trusts/NHS Boards/Health and Social Care Trusts. I give permission for these individuals to have access to these records where it is relevant to taking part in this research.

4. I understand that information held and managed by the Health and Social Care Information Centre and other central UK NHS bodies will be used in order to help contact me or provide information about my baby's health status.

5. I agree that personal identifiable information will be collected, stored and used by the coordinating centre in Oxford to enable follow-up of my baby. This is on the understanding that all information will be treated confidentially.

6. I agree to my GP being informed of my baby's participation in the study.

7. I agree for my baby to take part in the SIFT study.
